Product: Heat Shrink Tubing called SUMITUBE (all sizes and colours) Vs REACH EU-directives, its SVHC-Candidate list and RoHS.

To: All customers

Dear customer,

We, SESP, SUMITOMO Electric Schrumpf-Produkte GmbH declare that our heat shrink product line called SUMITUBE is conforming to **REACH-EU-directives** and its **SVHC-candidate** list as well as **RoHS** concerning regulation on chemicals substances and their safe use.

REACH: Registration, Evaluation, Authorisation and restriction of Chemical substances, which entered in force on 1st June 2007. The last update of SVHC-candidate list is dated on December 19th, 2011 (The list is available for public via REACH home page).

http://www.echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp

SUMITUBE product range does not contain substances mentioned in SVHC-candidate list. Or their concentration is less than (<) 0.1% w/w.

RoHS: European directive 2002/95/EC of the European Parliament and of the council which, published on January 27, 2003 and entered in force on 1st July 2006, based on the restriction of the use of certain hazardous substances in electrical and electronic equipments.
